"My dream job"

There are many interesting jobs. I think the doctor's job is the most important one. He/She helps us get better after being sick. I look forward to becoming a doctor one day to look after the sick and to try to find out the reason for that. He/She always looks after ill people and tries to find out why they are ill or what hurts them. If a doctor understands their illness, he/she gives them the right medicines to feel better. A good doctor usually makes sure that all people feel healthy. The nurse's job is also important as he/she helps doctors and patients. They are truly angels. We have to work hard to have the jobs we dream of.
